## **JOSEPH SANDORA LIKES HORSES**

Hi, my name is Joseph Sandora. I think I would like to learn to ride horses. I know horses walk slowly and they can run fast. This is good for them. I know I would need to put a saddle on it. I would like to ride them because they are cute. I know that in order to take care of them you need to feed them hay, water them, and clean out their pen. You need to give them medicine when they are sick. It is a good idea to brush them and clean them to make them look nice and feel good.

I like the Arabian horse. It comes in many colors. My favorite is the white one. It reminds me of a horse I saw in the TV show "The Waltons."

Maybe someday I will own my own horse. I would name it Farm Boy.

## **SQUIRES' BANGOR SCENE CLASS**

**BY: ADAM EYERLY**

This is the Bangor SCENE class. This is a duo class, a newspaper and a chess class but we're going to only focus on the chess part.

This will make us use strategies in life. No one really makes strategy games. Because of that, learning

## NEWS

### WILL RUSSIA INVADE UKRAINE?

**BY: PAUL BROYLES**

Today in Ukraine, Ukraine is currently on standby because Russia is threatening to take over. Both countries separated after World War II. In 1991, rumors of an upcoming third world war have been circulating for months. On 24 August 1991, the communist government of Ukraine declared Ukraine's independence from the Soviet Union by declaring that Ukraine would no longer follow Soviet law but would follow Ukrainian law.

In my opinion I think we should send soldiers just in case if they want to attack us then we could defend Ukraine, but I really think we should not interfere with them because it's their fight and not ours.

## FAMILY REUNION BY: LORRAINE PIERNIKOWSKI

Have you ever watched the Family Reunion show? It is a really good show and it is on Netflix. It is an African American sitcom only for teens and parents, not for little kids and it is PG-13.

The sitcom revolves around the Mckellan family that lived in Small-town, Georgia. The family encounters a lot of drama that people can laugh at. Among the cast of the show is a famous actress and singer Tia Mowry. The show is fun because you could sit back and relax and watch the characters interact with each other.
