Volleyball Game

By: Amara Gallegos

This is how the Bangor Vikings Volleyball game went at Bangor Elementary School.

At the volleyball game on Tuesday September 26, Bangor Vikings went against Marcellus Wildcats. Aliya Lee, Victoria Quinones, Alexis Wisniewski, Savannah Marfia, Azariah Jackson, Amelina Quiroz, Josephine Snyder, Amiyah Corona, and Alyssa are all on the Bangor Vikings Volleyball team.

They went into the locker room and got their uniforms on, as did the other team. The Bangor team practiced their serves, bumps, and their blocks. When the 10 minutes ran out, they got into their spots. Marcellus was up first to serve but the girls serve didn't make it over the net which gave Bangor 1 point.

Alexis Wisniewski on the Bangor team was up to serve. When she served, the ball made it over the net. The other team missed the ball and wasn't able to hit it back over the net. Bangor took the lead in the first set but not every girl made their serve over the net. Eventually Marcellus took the lead in the second set and won it because Bangor's team wasn't communicating with each other. Bangor took the lead in the third set from getting their serves over the net. Marcellus was coming back with points; it was a close game. Bangor almost lost. It was 25-22 in the last set. Marcellus almost took the win but Bangor started communicating with each other and was able to win the last set.
