EDUCATION

the football team, soccer team, volleyball team, and cross country team.

During Thunder and Lightning the eighth graders won. Another big event was musical chairs and Anthony Villalobos won. The eight graders also won tug of war which had Nattali, Paul, Aliya, Anthony, Analia, Eduardo, Azariah, Ismael, Araceli, and Carson. The eight graders had to beat the 7th graders for the first place spot. The third place winners were 6th grade and 4th place was the fifth graders. The last event was the "who is the loudest competition," the 8th graders won.

Navarre Nevith was in Thunder and Lightning and she had a lot of fun. She wished she could have been in musical chairs. Navarre would like to participate when she is in high school.

IS THE UKRAINIAN WAR STILL GOING? BY: LILLIE DARLING

Not only is the Ukrainian war still going but it's also getting worse. The Ukraine war started in 2022, but Russia and Ukraine have been fighting since 2014 which is 8 years ago. Now things are getting very dangerous between Russia and Ukraine. Putin is threatening to use a tactical nuke on Ukraine. Seeing as a nuclear bomb can destroy cities and leave third degree burns on its victims, this could be extremely dangerous for Ukrainians who are still there fighting.

has to face it. Even Russia and other countries will face the radiation fallout. The radiation would cause mutations in plants, animals and people. Because of this even Switzerland, who has been neutral in all wars for 500 years, is backing up Ukraine. If Putin bombs Ukraine WW3 will more than likely happen.
