Lack Of School Bus Driver's By: Natalee Hunt

America's bus drivers have been decreasing due to retirement or lack of good pay. Many people are searching for better paying jobs and jobs that don't need as much social contact making transportation challenging for schools and parents that need to work when their children get out of school, or even when school starts. The average bus driver salary in Michigan is \$36,572 as of September 26 2022, but the range typically falls between \$29,527 and \$44,569. Here are some challenges about being a bus driver, it can be stressful when the traffic is bad, early morning shifts etc.

Students could be a cause for people quitting their jobs or for the job being stressful. Many kids are loud and move around a lot. They say things that are not school appropriate or appropriate for the younger kids to hear. They tend to not think about the consequences or how hard the job already is for the drivers. It's also hard for the divers to pay attention to what kids are doing and the road at the same time.

There are some reasons that being a bus driver is a good thing. Like working with kids, no college degree is required and time off when kids are in school. School buses can also be hard to drive for many people which could cause not as many people wanting to have a job because they don't want to take the time to learn. School's tend to look for younger bus drivers rather than older ones.

Azariah Jackson: Reporting on Terrifier Two

Terrifier Two is the talk of the town. It's something that everyone wants to watch. I haven't watched it yet, but I really want to watch it. People said they left the movies just because it was too gruesome for people to watch. That is one of the reasons I want to watch, because it has a lot of horror and I like horror movies.

I haven't watched it, but I want to go with my friends because we can be scared together. My friend Jordan Hall said he wants to watch it too because it would be intense and it would be fun. I really want to go check it out but it is a rated R movie this means you need to be 18 or older or have an adult.
