SPORTS

Bangor Takes On Lawrence By Quinn Dykstra

It is November 30th and we play Lawrence. We already played them once this year and we won by 23. This is about 6 hours before the game and I am feeling pretty good about it. I remember all of the plays and my jobs on those plays.

This is the next day, and we played well. We beat them at their own school 36-17. There was really good ball movement and really good finishing around the rim. There were also many other things such as drawing fouls and the starters only played half the game. The backups got the most playing time they had all season. I hope the rest of our games go this well.

Getting To Know Some Of Our 7th Graders - Geo, Sam, and Andrea By: Ismael Reyna

I took some time to interview Geo, Sam and Andrea a little bit better. The following are topics we discussed as well as their responses. My first set of questions went to Geovanni Luna who is a 7th grader.

Me: Do you do any sports?

Geo: I used to.

Me: Are you planning to do any sports in the future ?

Geo: soccer or track next year hopefully.

I then spoke with Samantha Ogradny. She is also a 7th grader here at BMS.

Me: What is your favorite sport ?

Sam: volleyball.

Me: What is your favorite color?

Sam: Pink, because I am fruity.

Me: What is your favorite animal?

Sam: A flamingo because am fruity.

Me: If you had a superpower what would you pick?

Sam: Invisibility because I like to watch people.

I then spoke to Andrea Barajas who happens to be a 7th grader as well.

Me: How many shoes do you own?

Andera: 4

Me: Are you emo?

(FYI - emo is short for emotional punk music. It started as a type of music and then became a style of dress to go with the music).

Andrea: yes

Me: What is your favorite chocolate?

Andrea: I like all chocolate.

If you see any of these 3 students around campus, talk to them about their interests. Maybe you will have some things in common.

Pictured below L-R are Andrea, Sam, and Geo.

EDUCATION

Spirit Days For The Next Week by D.Washington

We have Spirit Days in the Middle School for the week of Dec 19 to Dec 23. We would like everyone to participate. The days are as follows:

Dec 19th is pajama day - wear your pajamas. You don't have to bring clothes in your backpack. You can just wear the pajamas you slept in if you want.

Dec 22nd dress like your in a zoom meeting like 2020 or 2021-
Good shirt on top and a pair of shorts or sweats on the bottom.
Dec 23rd is candy cane day- dress up like a candy cane or just red and white.

Below: A few students participating in pajama day 2022.

ENTERTAINMENT

Do You Like Video Games? By: Eduardo Velasco

Do you know what Super Smash Bros is? Well let me tell you. Super Smash Bros is a video game for Nintendo. It was released on January 21, 1999 the game was created by Masahiro Sakurai. The goal is to knock out the other player. It is similar to boxing where you can play 1 or 2 players.

I have been playing for 2 years and I have noticed I have improved. When I get bored, I start playing and I play for like 2 or 3 hours and it is a very fun game to play. If you play with other people like your brother, dad, uncle then it's even more fun.
