Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Bangor Middle School. The AER addresses the complex reporting information required by federal and state laws. The school’s report contains information about student assessment data, accountability, and teacher quality. If you have any questions about the AER, please contact Mrs. Tammy Wilson for assistance.

For the 2023-24 school year, schools were identified based on previous years’ performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no label is given.

school improvement and classroom instruction methods. Interventions such as student to student mentoring, break cards, special seating arrangements, extended time on assignments/tests, isolated environment to complete assignments or tests, extra rewards, privileges, providing reassurance, and encouragement on a regular basis are in place to help support student learning.

Core Curriculum:

Bangor Middle School follows the Michigan grade level content standards and Common Core benchmarks that are located at [http://www.michigan.gov/mde/0,4615,7-140-28753\\_64839\\_65510---,00.html](http://www.michigan.gov/mde/0,4615,7-140-28753_64839_65510---,00.html) and <http://www.corestandards.org/>. Curriculum alignment occurs through departmental school improvement learning and an on-going evaluation of essential standards, pacing guides, and local assessments. Data is collected and analyzed throughout the year from state, local, and common assessments to identify instructional strengths and benchmark gaps.
