ARTICLE 2

E. SCHOOL YEAR CALENDAR

1. Teachers will not be required to report to school on days schools are closed for students due to “snow days” or other “Act of God” conditions, If a building closes early due to “Acts of God” other than weather conditions, teachers may be required to remain in school if the administration deems conditions to be safe and conducive to continue professional activities.
2. Teachers will be paid for the days the district is closed for “Act of God” days, but will not be paid for the days worked due to “Act of God” day make-up days.
3. To the extent required by law, “Act of God” days will be made up during Monday-Friday starting the day after the last regular scheduled day for students.
4. If an “Act of God Day” is called on a day that is scheduled as a ½ day with students and a ½ day PD, then the administration has the right to call staff in for the regularly scheduled PD time if conditions are deemed to be safe and conducive. Such a day will count as a teacher workday. If through this action or other make-up days the teaching staff exceed their total number of contracted days, then they will be reimbursed at their per diem rate for the extra days.
5. A one day “New teacher orientation” can be run by the District before the normal start of school when deemed necessary.

- F. The District recognizes that appropriate equipment and materials are necessary to facilitate a sound educational program. Teachers, either individually, or through established committees, shall be given the opportunity to make recommendations concerning educational program and media. The Association recognizes the right of the District to make all final decisions in the adoption of such programs and media.

- G. The Board of Education and the Association believe that good communication between parent and teacher is important in the educational process. With this in mind, the Board and the Association believe that the reporting contacts between parent and teacher should be varied and frequent. All forms and methods of communication such as parent-teacher meetings, attendance at evening activities, mail, telephone, and school visitation by parents are expected.
- H. IEPC MEETINGS - Teachers having prepared appropriate lesson plans, activities, and/or alternative coverage shall be granted release time for necessary IEPC meetings as authorized.

Summer stipend for agreed extra duty outside of normal work duties is \$30 per hour as preapproved by administration.

ARTICLE 6
TEACHING CONDITIONS

The parties recognize that optimum facilities for both student and teacher are desirable to ensure the high quality of education that is the goal of the Board of Education and the Association. It is acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed toward insuring that the energy of the teacher is primarily utilized to this end.

- A. Because the pupil-teacher ratio is an important aspect of an effective educational program, the parties agree that class size should be lowered wherever possible to meet optimum standards. The Board of Education recognizes the need for control of class size but that no definite number can be affixed so as to prove or disapprove whether a good teaching situation exists.

The Board will always work toward the reduction of class size as building space and funds permit. In classroom situations that involve lab work or computer stations, the Board recognizes the importance of having sufficient student workstations available for use. Instructional delivery techniques in some classrooms may permit more students than student stations.

- B. No teacher shall be required to teach more than the equivalent of one section at a time in any subject except physical education.

At the elementary, if no substitute teacher is available and remaining teachers split the class, the teachers taking the extra students will evenly split the substitute rate pay for the day or half day.

- C. The Board shall provide networked copy machines in all buildings.
- D. The Board shall provide one teachers' aide for each Kindergarten classroom during the first two (2) weeks of school and will ensure availability of the aide the day school starts.
- E. The Board recognizes that appropriate texts, library reference materials, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar material are the tools of the teaching profession. The parties will confer from time to time through Curriculum Committee for the purpose of improving the selection and use of such educational tools and the Board undertakes promptly to implement all joint decisions thereon made by its representatives and the Association. The Board agrees at all times to keep the schools reasonably equipped and maintained.

- F. The District will designate a person to deal with emergencies in each building in the event of administrator absence.
- G. It is desirable for teachers to be issued their tentative teaching assignments for the upcoming school year by the last day of the current school year.
- H. Teachers may request to transfer to a different assignment. Such requests shall be made in writing to the superintendent and shall include the position desired along with the applicant's qualifications for the position.

ARTICLE 7
SICK LEAVE

Teachers shall be allowed sick leave at the rate of ten (10) days per year, accumulative to one hundred thirty (130) days.

- A. Upon agreement of the Association and the Board, a teacher may borrow a maximum of 60 accumulated sick leave days from other teachers.
- B. Sick leave shall only be used in the event of a teacher's inability to report to his/her duties owing to illness, disability, injury or as provided in Section D below. Except in cases of emergencies teachers unable to report to work shall notify the designated substitute system no less than one and one half (1-1/2) hours prior to the start of their regular workday. Teachers absent for more than three (3) consecutive workdays or who exhibit a pattern of absenteeism may be required to submit a physician's certificate.
- C. Any teacher who is absent in excess of allowable sick leave or personal leave shall be subject to a deduction of the annual salary and be charged the cost of fringe benefits* (Article 14).

The deduction shall be equal to 1/x of the teacher's regular teaching annual salary and the fringe benefit cost to the teacher shall be 1/x of the annual fringe benefit cost for the teacher for each day absent.

* Except as provided in the Family and Medical Leave Act.
("x" means the number of days in the school year in which the absence occurred).

- D. Working days to be deducted from accumulated sick leave may be claimed for illness in the family. Family is defined as:

- | | |
|------------|--------------------------------------|
| 1. Mother | 7. Son |
| 2. Father | 8. Daughter |
| 3. Husband | 9. Mother/Father-in-law |
| 4. Wife | 10. Daughter/Son-in-law |
| 5. Brother | 11. Others of emotional significance |
| 6. Sister | |

The teacher's sick day use for family shall be limited to a total of 30 days per school year, except in cases when the doctor provides a statement indicating the family member needs continuous care to be provided by that teacher. The District will follow FMLA regulations as they apply.

- E. Teachers will be paid \$25.00 per unused sick day upon leaving the district after five (5) consecutive years of service. These days are limited to the current limit of 130 days. Termination due to illegal activity would disqualify a person from this section.
- F. Teachers who have been employed by Bangor for greater than 15 years upon resignation will receive the following amounts for each unused sick leave day:

Notice of resignation given before April 1 for the following school year:

- \$45 for days through 130 days
- \$75 for days beyond 130 days

The unused sick days beyond 130 days will be known as "Incentive Unused Sick Days". These days will not be used for sick days, but will be recorded and can never be lost and will only be used for payment upon resignation.

2. Employees with children enrolled in this district may use up to two (2) of their allowed sick days for personal business pertaining to their children who attend Bangor Public Schools (school programs, field trips, college visitations).
3. Teachers who have accumulated 100 or more sick days may use up to two (2) days of their annual sick leave allowance for personal business each year that the 100 day accumulation remains.
4. Personal days approved in excess of the two (2) allowed above will be removed from the sick day total.

B. FOR ASSOCIATION BUSINESS

At the beginning of each school year, the Association shall be credited five (5) days to be used by teachers who are officers or agents of the Association, such use to be at the discretion of the Association. The Association shall be responsible to pay the ORS obligation for each day used. All applications must be made at least five (5) days prior to the absence (except in emergency). The Superintendent or his/her designee shall not be obligated to grant more than one (1) application during any one (1) day from any building, nor days immediately preceding or following school holidays. Association days shall not be deducted from sick leave.

C. JURY DUTY

A teacher who is called for Jury Duty or to provide testimony before any legal, judicial or administrative tribunal shall not have sick/personal days deducted from their total. Provided the teacher reimburses the District any compensation which they received for performance of such duty. C. ELIGIBILITY - To be eligible to apply for a leave of absence under A-1 or A-2, a teacher shall have been employed by the Board for a period of not less than seven (7) full school years and shall not have taken such a leave within five (5) years next preceding the application.

A teacher considering a leave under A-3, A-4, and A-5 may elect to do so, or may elect to take paid sick leave for the period of disability or a combination of paid and unpaid leave.

D. RETURN FROM UNPAID LEAVE OF ABSENCE - Teachers returning from an unpaid leave of one (1) year or less shall be entitled to reinstatement as determined by the Board. The teacher will return on the proper step of the salary schedule as if the leave had not occurred and will retain all accumulated paid time off. The teacher will not gain service credit during the leave of absence.

E. RIGHTS OF THE BOARD - The Board may restrict the total number of teachers on leave under A-1 or A-2 at any one time, not to exceed one (1) teacher per building and not to exceed a total of four (4) teachers at any one time from its entire staff. The Board has the right to deny the leave of absence if no replacement can be found to fill the vacancy that would be created by the absence of the applicant.

Teachers may request days off without compensation, and if granted, will be "docked" for these days. - G. FMLA LEAVE – Within five (5) business days of the employee requesting leave or the employer learning that an employee’s leave may be for a FMLA qualifying reason; the Superintendent or his/her designee will notify a staff member when the district intends to designate leave as FMLA-qualifying. Such notice may be given orally or in writing. (Written notice follows 10 days after oral.) If the Superintendent does not have sufficient information about the reason for an employee’s use of paid leave, the Superintendent may inquire further to ascertain whether the paid leave is FMLA-qualifying. Once the Superintendent learns that a paid leave is for an FMLA leave-qualifying reason, the Superintendent or his/her designee will promptly notify the staff member that the paid leave will count towards the staff member’s twelve (12) week FMLA-leave entitlement.

Pursuant to the Family and Medical Leave Act as amended, an employee shall be entitled to an unpaid leave of absence of up to twelve (12) weeks, during a twelve (12) month period, for one or more of the following:

The teacher must continue to pay their portion of the premium. If the teacher voluntarily terminates employment, the Board shall have the right to recover all premium payments made during the unpaid leave interval. These amounts may permissibly be deducted from any wage or other payments due the teacher, with any deficiency to be remitted by the teacher to the Board within ninety (90) days of demand.

The employee returning from a leave under this Act shall be returned to a position as determined by the Board.

Upon request, the teacher shall present a clearance certificate signed by a physician prior to returning to work. The Superintendent shall also have the right to have the teacher examined by a physician of the District’s selection at District expense.

Employees who return to the bargaining unit will begin to accrue seniority building on the amount of seniority they had previously accrued which had been frozen.

In the circumstance of more than one (1) teacher beginning employment on the same date, placement will be based on a random drawing of lots. All teachers so affected will participate in a drawing within 30 days to determine position on the seniority list. The Association and teachers so affected will be notified in writing of the date, place and time of the drawing. The drawing shall be conducted openly and at a time and place which will reasonably allow affected teachers and Association Representatives to be in attendance.
- D. In the event of a reduction of personnel, the Superintendent, or designee, will strive to give as much advance notice as possible.

ARTICLE 13
STRIKE PROHIBITION

The Association recognizes that strikes, as defined by Section I of Public Act 336 of 1947 of Michigan, as amended, by teachers are contrary to public policy and the best interest of students, as well as contrary to law. The Board and the Association subscribe to the principle of resolution of differences in an orderly and appropriate manner as befits the high standards of professionalism. Accordingly, the Association agrees that it will not strike or sanction a strike by any member or group of members against the Board during the term of this Agreement; nor will the Association sanction any strike against the Board.

ARTICLE 14
INSURANCE BENEFITS

The Board shall provide MESSA health insurance for teachers who apply for health insurance. The Board and Association agree the rules and regulations of the underwriter will be followed and that the Association and the Board recognize that the parties are not obliged to provide insurance coverage for a teacher if the underwriter prohibits such coverage of a teacher. The Board shall make premium contributions excluding coverage for abortion or abortion-related service or any other coverage which is prohibited by law or shall result in a penalty to the District.

The Board agrees to pay no more than the PA 152 2021 State mandated hard cap amount of the total cost of the medical fees, assessments, and commissions through December 31, 2021, and will pay no more than the PA 152 2022 State mandated hard cap amount of the total cost of the medical fees, assessments, and commissions beginning January 1, 2022, through December 31, 2022, and will pay no more than the PA 152 2023 State mandated hard cap amount of the total cost of the medical fees, assessments, and commissions beginning January 1, 2023 through December 31, 2023, and will pay no more than the PA 152 2024 State mandated hard cap amount of the total cost of the medical fees, assessments, and commissions beginning January 1, 2024 through December 31, 2024, and will pay no more than the PA 152 2025 State mandated hard cap amount of the total cost of the medical fees, assessments, and commissions beginning January 1, 2025.

Insurance premium payments will be by payroll deduction for the first and second payments each month for those teachers choosing 26/27 pay schedule. For those teachers on 21/22 pay schedule, insurance payments will be deducted every pay. HSAs will be employee funded and compliant with IRS regulations. HSA deductions will be deducted every pay.

- B. Teachers not electing to take any health insurance will receive Non-Medical Plan B and will receive cash in lieu of benefits. ARTICLE 15
GRIEVANCE PROCEDURE

A. DEFINITIONS

- 1. A "grievance" is a claim based upon an event or condition which affects the welfare or conditions of employment of a teacher or group of teachers and arising from the language of this Agreement or an alleged breach thereof. It is expressly understood that a claim based upon an event or condition which does not affect the welfare or conditions of employment of a member of the unit described in Article I above will not constitute a grievance.

2. An "aggrieved person" is the person or persons making the claim.
3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. PURPOSE

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances which may from time to time arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing contained herein will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given opportunity to be present.

C. PROCEDURE

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered a maximum, and every effort should be made to expedite the process. If appropriate action is not taken within the time limit specified, the grievance will be deemed settled on the basis of the disposition at the preceding level. Non-weekend holidays, "Act of God" or any days on which school is cancelled that are beyond the District's control, and other recess days do not count in time limits. Should the grievance teacher leave the employ of the Board, all further proceedings on said grievance shall be barred. The time limits specified may, however, be extended by mutual agreement expressed in written form. In the event a grievance is filed on or after June 1st which, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein will be expedited by mutual agreement of the parties.

1. Level One

A teacher with a grievance will first discuss it within ten (10) school days of the occurrence with the objective of resolving the matter informally. This may be done alone or with or through the Association School Representatives. The names of these representatives will be furnished by the Association to the Principal. The Principal shall attempt to resolve the grievance within ten (10) school days of the discussion. If no satisfactory solution is reached within this time, then the grievant either directly or with the A.S.R. will reduce the grievance to writing which shall be signed by the grievant and the A.S.R. and filed with the Principal not later than ten (10) school days following the Principal's verbal decision. If the grievance involves more than one (1) school building, it may be filed with the Superintendent.

Within ten (10) school days of receipt of the grievance, the Principal shall meet with the grievant in an effort to resolve the grievance. The Principal shall indicate his disposition of the grievance in writing within ten (10) school days of such meeting and shall furnish the A.S.R. a copy.

2. Level Two

The Association must approve all grievances that are processed to Level Two (Superintendent) and beyond. If the grievant is not satisfied with the disposition of the grievance or if no disposition has been made within the days specified, the grievance may be filed with the Superintendent, within five (5) school days from the written decision of the principal or from the time allotted therefore if no decision is rendered.

Within ten (10) school days the Superintendent or his designee shall meet with the teacher either directly or through the A.S.R. on the grievance and shall indicate his disposition of the grievance in writing within five (5) school days of such meeting and shall furnish a copy thereof to the Association.

3. Level Three

If the Association is not satisfied with the disposition of the grievance by the Superintendent or his designee, or if no disposition has been made within the specified time, the grievance may be filed with the Board of Education by filing a written copy with the Secretary or other designee of the Board within five (5) school days from the written decision of the Superintendent or from the time allotted therefore if no decision is rendered. The Board or its designated committee no later than its next regular meeting or two (2) weeks, shall meet with the Association on the grievance.

Disposition of the grievance in writing by the Board shall be made no later than ten (10) school days after the meeting. A copy of such disposition shall be furnished to the Association.

4. Level Four

If the grievant directly or through the Association is not satisfied with the disposition of the grievance at Level Three, or if no disposition has been made within the specified time limits, the grievance may be submitted to the American Arbitration Association within twenty (20) school days after receipt of the Board's Level 3 grievance decision.

The parties will be bound by the rules and procedures of the American Arbitration Association in selection of an arbitrator.

Powers of the Arbitrator. It shall be the function of the arbitrator and he shall be empowered, except as his powers are limited below, after due investigation, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement.

- a. He shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
- b. There shall be no appeal from Arbitrator's decision if within the scope of his authority as set forth above. It shall be final and binding on the Bangor Education Association, its members, the employee or employees involved, and the Board.
- c. The fees and expenses of the arbitrator incurred shall be paid by the losing party. In case of split decision, each party pays their share of the total cost as declared by the Arbitrator.

D. The following matters shall not be the basis of any grievance filed under the procedure outlined in this Article:

1. Any matter for which there is recourse under state or federal statutes.
2. Any matter in which the Tenure Act prescribes a procedure or authorizes a remedy (i.e., discharge and/or demotion, etc.).
3. Any prohibited subject of bargaining, including layoff/recall, assignment/transfer, discipline/discharge, and evaluation.

ARTICLE 16
MISCELLANEOUS

- A. The parties acknowledge that during negotiations which resulted in this Agreement each party had the unlimited right and opportunity to make demands and proposals with request to any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Association for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.
- B. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- C. An emergency manager under the Local Financial Stability and Choice Act, MCL 141.541, *et seq.*, may reject, modify, or terminate this Agreement as provided in that Act.

ARTICLE 17
NEGOTIATION PROCEDURES

- A. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the district. It is recognized that no final Agreement between the parties may be executed without ratification by a majority of the membership of the Association and by a majority of the Board of Education, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- B. If the parties fail to reach agreement in any such negotiations, either party may pursue mediation through the Michigan Employment Relations Commission.

The Board also reserves the right to place an incoming experienced or new teacher at a level/salary higher than the teacher's years of experience.

BYLAWS GOVERNING TEACHER SALARY SCHEDULE

- A. The salary schedule adopted is a part of this contract and all members of the teaching staff of the school district shall receive salaries in accordance with their schedule and these by-laws. None of these by-laws is retroactive.

- B. Tuition Reimbursement
Each teacher who earns additional hours of credit beyond the BA scale at an NCATE accredited college or university, shall be reimbursed at a sum not to exceed \$150 per credit hour earned to a maximum of \$500 per year. Credit hours under this section must be taken in a field of study directly related to the teacher's assignment and must be approved in advance by the administrator. An official transcript of semester hour credits earned from the granting institution, indicating a grade of B or better, shall be submitted to the administrator's office or designee. In classes that are only offered as pass/fail, an official transcript of semester hour credits earned from the granting institution must indicate that the teacher received a pass grade in order to qualify for tuition reimbursement. Within forty-five (45) days of the submittal, the teacher shall be reimbursed.

- C. A teacher entering the employ of the Board shall, upon recommendation of the Superintendent, receive up to full credit on the salary schedule if the experience occurred within ten (10) years preceding employment in the Bangor System. This section applies to Schedule B and Schedule A.

- D. Credit to a maximum of two (2) years shall be granted for military service after proof of employment as a teacher in a school district prior to military service.

- E. Transfer from one salary schedule to another based on a newly earned degree is effective at the beginning of the school calendar year following the awarding of the degree.

- F. Each teacher has the choice between the following two pay schedules:
 - 1. Twenty-one (21)/twenty-two (22) pays or
 - 2. Twenty-six (26)/twenty-seven (27) pays

This preference will remain in effect until a change is requested by the employee. This request must be made to the business office before July 1. If pay schedule is not requested, it will be 26/27 pays. (22 or 27 pays are needed occasionally to adjust the pay schedule to the work year. If a 22/27 pay schedule is needed, the Association will be informed by May 30 previous to the implementation in the fall of that year).
